

2024 MSR Committee Member PIE Form Assignments

Instructions: We encourage committee members to review the PAs for all measures so they are prepared to discuss and vote during the MSR meeting in September.

- In preparation for that meeting, please complete the Pre-Meeting Initial Evaluation (PIE) form for your 5 assigned measures by **September 9** at midnight.
- You may complete any additional PIE forms based on your interest and experience areas at your discretion.
- Links to the PIE forms are in the appendix of this document.

***Special Instructions for MIPS reviewers:** Due to the staggered posting of MIPS measure PAs, committee members assigned to review MIPS measures are granted an extension until **September 12** to accommodate the delayed posting of these PAs to the website.
