CMS Measures Under Consideration (MUC) List Now Available

The Centers for Medicare & Medicaid Services (CMS) published its [2025 MUC List](#) last month. This week, we wrapped up our written public comment period on the MUC List and held Listening Sessions for verbal feedback. Comments will be shared with Pre-Rulemaking Measure Review (PRMR) committees to inform Recommendation Group meeting discussions later this month.

39 Measures

In December 2025, Battelle hosted the E&M Fall Advisory Group meetings, where members reviewed 39 measures across four projects.

Thank you to our Advisory Group members and measure developers for your time, insights, and commitment.

Coming Soon: Comment on "Endorsed by Extension" Status Public Comment

When: January 19 - February 1

Share your feedback on the proposed new status for measure deferrals beyond 6 years, "Endorsed by Extension." This temporary, time-limited continuation of endorsement may be granted to eligible maintenance measures when delays are due to resource limitations, but the measure remains safe and effective with no materials changes.

CQMC Updates

Two CQMC Meetings Convened in November

Battelle convened two Core Quality Measures Collaborative (CQMC) meetings in November. First, the CQMC [Behavioral Health Workgroup](#) met on November 12 to discuss the continued use of measures in the Behavioral Health core set.

Then, on November 17, the CQMC [Full Collaborative](#) reviewed updates from the HIV/Hepatitis C, Cardiology, and Gastroenterology Workgroups.

Thank you to all participants for your insights and collaboration!
